

A 21st Century Parish Process for Growing Teen Disciples

Third Generation Youth Ministry

VITAL 3.0 is a two-year, strategic process for cultivating an impacting, disciple-making parish and youth ministry. Using Cultivation imagery, VITAL 3.0 addresses four essential areas of ministry:

- ✓ **Preparing the Soil**-- by forming visionary leadership;
- ✓ **Sowing**-- by building an evangelizing parish;
- ✓ **Growing**-- by forming a community of discipleship;
- ✓ **Reaping**-- by training and empowering young people to be ministers and leaders in the parish.

VITAL 3.0 goes beyond comprehensive youth ministry, to building an intergenerational, parish culture that grows teen disciples.
