

January 15, 2010

Dear Youth Ministry Coordinator:

We're inviting your entire peer ministry team to become energized for the coming year, spiritually formed, and equipped for ministry during **Cultivation Ministries' 2010 Annual Peer Ministry Team Retreat** entitled **Positively Dangerous**.

This weekend is a great way to kick off the year and unify your team. It is a significant opportunity for teens to personally encounter Christ's love, experience Christian community, and be practically equipped in their role as a peer minister.

This year, we want you to join the hundreds of teens who are gathering:  
On: Saturday, August 28 at 8:30am Until: Sunday, August 29 at 4:00pm.  
At: Timber-lee Christian Center, East Troy, WI Cost: \$82.00 per person

We are offering ALL NEW workshops this year including:

- From Evangelization to Immanuelization
- The Journey to Spiritual Maturity
- Growing a Positively Dangerous Community
- The Qualities & Skills of True Leader Communication Skills 101

As always, there will be interactive activities that will challenge your team to become stronger and more committed to each other, powerful prayer experiences, and great worship.

Registration materials can be downloaded from [www.cultivationministries.com](http://www.cultivationministries.com). You will find a liability form, code of conduct form, a Peer Ministry Retreat Group Registration Form (to register your group by check through the mail), and a retreat brochure to copy and distribute to your peer ministers. Please keep in mind the retreat will fill up fast, and we will process registrations on a first come-first serve basis. If you need any further information, please don't hesitate to call me at 630-513-8222.

Thanks for all you do for the teens of your parish community.

In Christ,

A handwritten signature in black ink that reads 'Frank Mercadante'.
